Re: Certificate of Correction

Consideration has been given your request for a certificate of correction, for the above-identified patent under the provisions of Rule 1.322 and 1.323.

Respecting the alleged error in the omission of priority data, section 119 of 35 U.S.C. requires that both a claim for priority and a certified copy of the foreign application be filed in order that a patent issue with this data. No record can be found of a certified copy of foreign application No. 01119903.1. Therefore, no correction is in order here.

In view of the foregoing, your request in this matter is hereby denied.

Further consideration will be given concerning this matter upon receipt of a request for **Reconsideration** (reconsideration should be accompanied by supporting document(s) such as, amendment, postcard receipt, 1449/892, etc.) and should be filed and directed to Decisions & Certificates of Correction Branch.
